

Circular No. MSN/PB/01/2024

**CIRCULAR
Classes III-V**

02.04.2024

Dear Parent
Greetings !

In our constant endeavour to provide holistic learning, we have associated with Mindwize Academy to train and educate our students in Aeromodelling within the school premises. Aeromodelling is a unique combination of the science between aerodynamics of flight and the art of creating models using this scientific knowledge. This will be a fun filled learning process that inspires interest and motivation to pursue career in the field of Science and Technology.

COURSEDETAILS

Classes III, IV & V: Rs. 3500/-per participant (includes 3 kits)

Course Duration: 20 Hours
