Splash Pool

Dear Parents,

In our ongoing efforts to ensure a vibrant and engaging environment at Mayoor School, we are excited to introduce Splash Pool activity into the weekly schedule for students of classes I, II, and III. We are thrilled to announce that our young Mayoerians will now have the opportunity to enjoy some refreshing fun along with learning basic strokes at the splash pool.

A detailed section-wise schedule for this activity will be provided shortly. We kindly request each child to come prepared with the following neatly labeled items on the designated day:

- Towel (medium size)
- Swimming costume
- Swimming cap and goggles(optional)
- One set of innerwear

We eagerly anticipate your cooperation and support in making this experience enjoyable and safe for all our students.

Warm regards,

Ms. Alka Awasthi
Principal
