Dear Parent

Teaching and learning at Mayoor Upvan is a fun-filled and enriching experience. The sun is shining bright these days and it's time to incorporate yet another activity in the weekly schedule of classes Nursery, LKG and UKG students. Our little Mayoorians will now splash, plunge and enjoy their time at the Splash Pool with their floating toys.

Splash Pool Activity will start from Monday, 15th April 2024 . Kindly note the following :

- The child should be wearing the swimming costume under the school uniform.
- Children should wear sandals/crocs on their scheduled day.
- They should carry a small towel, comb and under-garments in a separate swimming kit.
- Girls with long hair need to bring shower cap also.
- Kindly label all the personal belongings of the child with a permanent marker.

Weekly Schedule for the activity:
