

**CIRCULAR FOR STEM ACTIVITIES  
CLASS III**

CIRCULAR NO: MSN/PB/23 /2024

25.04.2024

Dear Parents

Mayoor School Noida is excited to announce STEM activities for Grade III students by Entecres Lab. These activities will enhance critical thinking, problem-solving, creativity, and communication skills. Participating in STEM activities will prepare our students for future STEM careers and provide a sense of accomplishment, improving self-esteem. We encourage our students' participation to make their learning experience at Mayoor School Noida more enjoyable and fulfilling. The program implements the **STEM Application** already popular in **more than 120 countries**. It has been designed to generate a scientific acumen in the students by combining various activities like Aerodynamics, Rocket Making, Magnetic levitation etc.

**Schedule of STEM sessions:** During school hours in school premises.

**Amount to be paid:** Rs. 1400/-

Interested parents are requested to send the amount in cash to the class teacher by **30 April 2024** in a sealed envelope with Name, Class, Section and Admission number of the student written on the top.
