TIPS FOR CBSE BOARD EXAMINATION

1. Prepare a proper timetable first and then make a habit to follow the same. A good timetable will make your exam preparation easy.
2. Sufficient time should be devoted to self-study.
3. Be punctual and disciplined, balancing the academic and personal life. Refrain from spending time on social media and using mobile phone.
4. Your focus should be on revising chapters with high weightage on important topics. Analyse and practice the topics prepared.
5. Be mindful of the weightage of theory marks and the total time allotted to complete the paper while preparing.

6. Don't rely on rote learning and memorising for subjects like Mathematics, Physics and Chemistry.
7. Solving sample papers and previous year's papers are essential. Set a timer while solving mock papers to improve speed and accuracy.
8. Try to assimilate your notes in the form of mind maps or flow charts to save revision time.
9. Do not hesitate to discuss with your teachers in case of any doubt in any topic.
10. Read the question paper thoroughly and understand the questions well before attempting.
11. Write neatly and complete your paper in 2 hours 45 minutes. Utilise the last 15 minutes to revise your paper thoroughly before submitting.
12. Parents must ensure that their ward takes proper sleep, healthy diet, and adequate breaks during long study sessions.
13. Parents must also ensure that their ward gives enough time for written practice regularly.

We wish you strength in your studies, clarity in your thoughts, and the confidence to showcase your knowledge. Your hard work will surely yield success.

Remember, we are there for you and are proud of you!

Best wishes and lots of love!
