"Embrace positivity for a brighter tomorrow."

Dear Parents,

Warm greetings from the Mayoor Family!

We are delighted to embark on this journey with you, aiming to provide a nurturing and inspiring environment for your child. At Mayoor, we cherish the uniqueness of each child, focusing on their individual character, strengths, and abilities. Our goal is to foster holistic development by engaging students in a variety of activities integrated into the curriculum, making learning both enjoyable and enriching. Let's celebrate their diversity!

Theme of the month - **Celebrate Earth Day by Embracing Sustainability**

Value of the month - **Love for Nature**

Country of the month - **United Kingdom (UK)**

Highlight of the month - **Cultivating a botanical oasis**

Regards

Alka Awasthi

Kindly note the activities and competitions to be covered in April.

Date/ Day	Activities
05.04.24 (Friday)	Eid Celebration  A festive illustration for Eid. It features a string of colorful triangular bunting flags at the top. Below the flags are three hanging lanterns in purple, red, and yellow. In the center is a mosque with a large green dome and two minarets. To the right of the mosque, the text 'happy Eid mubarak' is written in a cursive font, with 'happy' in black, 'Eid' in yellow, and 'mubarak' in red.
19.04.24 (Friday)	Earth Day Celebration  An illustration for Earth Day. It shows a smiling Earth with a face, held gently in two hands. The Earth is green and blue with some clouds. Above the hands, the text 'Save Our Planet' is written in a bold, blue, sans-serif font, following the curve of a white cloud-like shape.
