From the Principal's Desk...

A new academic session means new beginnings, new adventures, new dreams, new targets, new hopes, and new challenges.

Greetings!

It gives me great pleasure to extend a warm welcome to all my students to the new academic session 2024-25 which has come with limitless potential and possibilities to experience and learn new things. I, also take this opportunity for conveying my sincere gratitude to our parents for their unwavering support and indomitable trust which facilitated us to scale new horizons of success. In this earnest endeavour of creating a child-centered school, I am ably assisted by my core team of heads from different wings and dedicated teachers.

In keeping with our tradition of achieving excellence in both academic and non-academic arenas, the previous academic session has witnessed Mayoerians add a new leaf to the grandeur of the school by winning numerous amazing awards.
