From the Desk

As we stand on the threshold of the second term, I extend my heartfelt congratulations to all my students for completing the first term with dedication and resilience. This new term offers fresh challenges and opportunities for growth, true learning thrives not just in achievement but in the spirit to improve, discover, and persevere. Let us move forward together, setting new benchmarks and shaping our collective journey towards excellence.

Gleam and Shield: The Art of Electroplating Unveiled

Grade VIII students ventured into the captivating world of electroplating, where Science meets Art. Using electric currents, they mastered the skill of coating metals, enhancing durability and brilliance. Through hands-on exploration, they adjusted voltage, time, and electrolyte concentration, bringing theory to life with real-world electrochemical experiments.

Hover Wonders: Unlocking the Magic of Magnetic Levitation

In a thrilling exploration of magnetism, Grade VI students uncovered the marvel of magnetic levitation! Crafting a simple maglev model with magnets and a pencil, they witnessed objects defy gravity. This hands-on journey revealed the future of transport and technology—where magnetic forces enable frictionless, floating motion.

Cultural Splendour and Well-Being: Celebration with a Purpose

Grade VIII C and VIII D hosted a vibrant assembly celebrating Dussehra's timeless message of good triumphing over evil. A dynamic dance performance captivated the audience, showcasing the festival's rich traditions. In a meaningful addition, mental health awareness was emphasized, promoting student well-being, it encouraged resilience and perseverance, blending the essence of the festival with valuable life lessons.

Success isn't final, failure isn't fatal—it's the courage to continue that counts. Best of luck for exams, Mayoorsians

Students from Grade VI C and VI H led an assembly titled "Yes, We Can - Best of Luck for Exams," offering advice on stress management and study techniques. Vibrant dances added energy and expressed gratitude to teachers, it also highlighted that success comes from hard work, planning, and self-belief, reminding students to stay determined.

Celebrating Gandhi's Heritage Through Music and Dance

Grade VII E and VII F led an assembly on the occasion of Gandhi Jayanti, highlighting patriotism through Daksh Mehta's song, a band performance of patriotic melodies, and a dance reflecting Gandhi's values. Students also presented insights from Gandhi's autobiography, rekindling his spirit and principles, inspiring all with his enduring legacy.

Exploration Unpacked: Learning Beyond Books!

Grade VII and VIII students enjoyed an enriching Bagless Day brimming with creativity and fun. Grade VIII began with a screening of "Inside Out," teaching emotional intelligence, followed by a vibrant doodle art session. Meanwhile, Grade VII engaged in reflective Circle Time, celebrated with Garba, and created posters for World Mental Health Day. The day's diverse activities fostered creativity, mindfulness, and camaraderie.

Collaborative Connections

Celebrating the hearts that shape our future! 🎓🎉 #TeachersDay

Teachers' Day was celebrated with heartfelt appreciation, honoring the dedication of its educators in a touching ceremony at the Amphitheatre. The day featured music, games, and a festive feast, creating a joyful atmosphere. The celebration left lasting memories, inspiring renewed commitment to shaping students' futures.

Diwali and Cultural Exchange: A Celebration of Unity

Grade VII students at Mayoor School celebrated Diwali with a vibrant assembly embracing unity and cultural exchange. German exchange students from Domschule, Schleswig joined wholeheartedly, engaging in rangoli-making, traditional performances, and a Ramayana play. The celebration fostered cross-cultural appreciation, concluding with sweets and thoughtful gift exchanges.

Mayoorians Unite for a Cleaner Tomorrow

Our students enthusiastically participated in the Swachhata Hi Sewa Campaign 2024, aligning with the nation's call for cleanliness and civic responsibility. Students and teachers actively engaged in a series of activities, including taking a solemn pledge, a campus-wide cleanliness drive, forming a symbolic human chain, and capturing the moment with the Swachhata selfie booth.

World Mental Health Day

A poster-making activity was held in Grade VI, where students expressed their emotions artistically, illustrating the Circle of Control. Through thoughtful drawings, they depicted the emotions they can and cannot control, skillfully laying out their inner reflections. The activity, conducted in honour of World Mental Health Day, also heightened their awareness of maintaining mental peace. It encouraged mindfulness, fostering a deeper understanding of emotional resilience and self-regulation among the young learners.

Vibrant Visions: Showcasing Cultural Heritage through Rangoli

Inter-House Rangoli Competition, was organised for Grade VI-VIII in the Middle Wing. The event showcased an exceptional display of creativity, where each rangoli design reflected not only artistic brilliance but the deep cultural essence that Rangoli symbolizes.

Crafting Care: Health Meets Education in Artful Logos

In a spirited showcase of creativity and technological finesse, middle-wing students competed in the Inter-House Logo Design Competition under the theme “Health and Education Care.” Paired in teams of two, students crafted remarkable logos using various software.

Bullseye Brilliance: Nationals Spot at U.P. State Shooting Championship!

Shonit Gupta has successfully qualified for the Nationals at the 24th U.P. State Inter School Shooting Championship 2024, which was held from October 10th to 13th at Bhavishya Public School in Pilkhua, Hapur.

Zonal Triumph: Under-14 Girls Football Stars Clinch the Spot

In a display of raw talent and unwavering grit, our girls Under-14 football team seized 3rd place in the fiercely contested CBSE Zonal Tournament. Their relentless teamwork, strategic precision, and spirited determination distinguished them as rising stars in the arena of competitive school sports.

Rallying to Greatness: Mayoorians Serve Up Silver at CBSE North Zone Tennis Championship!

Middle Wing tennis squad exhibited unmatched prowess and resilience at the 2024 CBSE North Zone Championship, clinching a remarkable 2nd place. With each serve and volley, they embodied precision and tenacity, crafting a memorable chapter in Mayoor's legacy and inspiring a spirited pursuit of excellence.

Gliding to Glory: Ridhima's Remarkable Roller Skating Feat

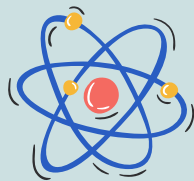

Ridhima Grade 8 dazzled in the rink, clinching gold in the 500-meter and bronze in the 1000-meter races. Her outstanding performance has earned her a spot in the CBSE Nationals. Ridhima's dedication and skill continue to shine as she skates toward greater achievements!

Minds in Motion: Innovation and Imagination in Full STEAM!

The STEAM exhibition, The Quantum Quest, was a celebration of student innovation and creativity, featuring an array of captivating exhibits. Chief Guests Mr. Sandeep Baruah, Senior Scientist (retd.), Vigyan Prasar, and Dr. Pankaj Goel, Professor of Mathematics, GL Bajaj Institute, attended the event. Highlights included art installations, science experiments, mathematical models, and multilingual representations. Parents and visitors were impressed by the students' dedication, making the exhibition a great success, fostering curiosity and a passion for learning.

Teen Think Tank

Empowering Young Minds through STEAM Fusion!

Interaction of Actor Vivaan Prashar with Mayoorians!

A valuable workshop for Grade VI to VIII, led by Bollywood actor and coach Vivaan Prashar. Focused on personality development, the session offered students practical skills in enhancing their body language and communication, crucial for presentations and social interactions. Through his Arena Institute of Personality Development, Mr. Prashar encourages students to develop confidence and articulate themselves with elegance and positivity.

Infinity and Beyond - Virtual Tour of Mayoorians to Space Observatory

The first "Virtual Space Observatory Tour" for Grade VI-VIII, marking a milestone in making space exploration accessible. Students explored the universe from home, guided by an expert who shared fascinating insights. The school anticipates more such cosmic journeys.

Inspiring Lessons of Courage and Patriotism

The Motivational Programme, honoring Veer Gatha's legacy, celebrated patriotism and selfless service. Graced by CBSE Chairman Mr. Rahul Singh, IAS, Dr. Praggya M Singh (Director Academics), and other dignitaries, the event featured an inspiring address by Kirti Chakra awardee Shri Narendra Nath Dhar Dubey. Over 2000 students and educators were captivated by his oration. A captivating dance performance by students followed, with Dr. Praggya M Singh expressing gratitude to all involved.

From the Moon to the Ocean Floor: A VR Workshop for Educational Exploration

Middle Wing recently held an immersive Virtual Reality workshop where students experienced the Chandrayaan liftoff and explored space through interactive games and simulations. This hands-on workshop not only captivated students but also deepened their understanding of space exploration, showcasing Mayoor's dedication to inspiring scientific curiosity and wonder.

Nurturing Minds: A Celebration of Mental Wellness

A confluence of young minds gathered at Wellness Unplugged, an inter-school celebration dedicated to mental well-being. Eminent Psychiatrist Mr. Jitendra Nagpal enlightened the audience with his profound insights. The event culminated in a vibrant ceremony, where dignitaries from PASCH Cell of Goethe Institute honoured the exceptional achievements of the participants.

पहिये का आविष्कार, एक अद्वितीय क्षण, जिसने सजीव किया जगत का रंगमंच।

आठवीं के सभी वर्गों में 'जहाँ पहिया है' पाठ पर आधारित 'पोस्टर निर्माण' हिंदी गतिविधि का आयोजन किया गया, जिसका उद्देश्य विद्यार्थियों को पहिए के बदलते स्वरूप को समझाना था। इस गतिविधि द्वारा विद्यार्थियों को उनके स्वर्णिम कल्पना और रचनात्मकता का प्रदर्शन करने का मौका मिला।

"पहिए का बदलता स्वरूप" गतिविधि बच्चों के लिए मनोरंजनपूर्ण और शिक्षाप्रद रही, इस गतिविधि ने उनकी सृजनात्मकता को बढ़ावा दिया और उन्हें समय के महत्व को समझने में मदद की।
