From the Principal's Desk

True freedom is found not only in the absence of external constraints but in the courage to overcome internal challenges and the strength to pursue one's authentic self.

Breaking Barriers @ Mayoor School

Our recent Independence Day celebration was a perfect blend of patriotic fervour and nature's blessing. The drizzle seemed to join our students in honouring the freedom fighters who paved the way to freedom. The Tricolor waved proudly, and the campus resonated with the powerful notes of patriotic songs. The day reminded us of all the struggles and sacrifices made by our national heroes and unsung freedom fighters.

Much like our national heroes, our Mayoerians too exhibited the spirit of courage and resilience in various competitions held within and outside the Mayoer campus.

While *The Battle of Titans* saw young minds clashing, not in conflict but in pursuit of knowledge and excellence, *Synergy* was a moment of warmth where the true spirit of collaboration prevailed.

Our Hall of Fame continues to grow, celebrating the inter-school victories that our students have brought to our school. Each achievement is like a star that shines in the Mayoer's sky making it glittery and glimmering.

As the half yearly exams have approached, the Mayoerians are back to the study mode with vigour and vitality. Good luck for the exam!
