

MSR CHRONICLES

IN FOCUS: SENIOR WING

VOLUME: II

We're delighted to unveil a special two-volume edition, celebrating the brilliance of our Mayoerians who have triumphed across countless events. Each volume is a tribute to their excellence and dedication.

Enjoy the showcase of their shining achievements!

MAYO MODEL G20 Summit

**Mayoor School Shines at Mayo Model
G-20 Summit 2024**

Students of Mayoor School, Noida had the privilege of participating in the prestigious **Mayo Model G-20 Summit**, held at **Mayo College, Ajmer**.

A team of six brilliant delegates represented Mayoor School, Noida comprising **Divya Sharma (IX), Mohhika Sharma (IX), Arnav Mathur (IX), Vanya Agarwal (X), Suhani Gulati (X), and Anoushka Verma (XII)**. Each student was assigned a country portfolio, allowing them to engage in meaningful dialogue on pressing global concerns.

Throughout the summit, the students demonstrated exceptional skills in research, debate, and diplomacy, enhancing their global perspective.

INDO-GERMAN EXCHANGE PROGRAMME

Encouraging Global Connections and Sustainable Practices

Mayoor School, Noida recently hosted an **Indo-German Exchange Programme** in collaboration with **Domschule from Schleswig, Germany**. This programme welcomed **13 German students and 2 teachers**.

The exchange featured interactive STEM classes related to environmental solutions. The highlight was a visit to the UNIFLEX recycling unit, where they learned about advanced recycling processes and the integration of sustainability in industries. Beyond academics, German students lived with Indian host families, experiencing local customs and cuisine. They also attended regular classes and participated in extracurricular activities at the school, enriching their understanding of Indian student's life.

This initiative not only enhanced academic learning but also promoted cultural dialogue and mutual respect, strengthening ties between India and Germany.

STEAM EXHIBITION

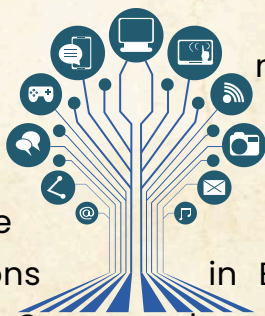

STEAM Spectacle: Igniting Innovation

Mayoor School, Noida, proudly hosted a spectacular **STEAM (Science, Technology, Engineering, Arts, and Mathematics)** exhibition titled **The Quantum Quest**.

The exhibition was graced by esteemed **Chief Guests Mr. Sandeep Baruah, Senior Scientist (Retd.) from Vigyan Prasar, and Dr. Pankaj Goel, Professor of Mathematics at GL Bajaj Institute of Technology and Management, Greater Noida.**

Students enthusiastically presented their exhibits, which included captivating science experiments, ingenious mathematical models, and social science projects. The representations in English, Hindi, French, and German demonstrated the students' artistic flair and dedication.

VEER GATHA

**Celebrating Courage and Patriotism:
A Day of Inspiration**

Mayoor School, Noida, recently hosted a remarkable **Motivational Programme** in collaboration with CBSE, honoring the legacy of **Veer Gatha** and celebrating the spirit of patriotism and selfless service to the nation. The event welcomed distinguished guests, including **Chairman CBSE, Mr. Rahul Singh, IAS, Dr. Praggya M. Singh, Ms. Dharini Arun, and Mr. Hilal Ahmed**, alongside other notable principals from esteemed schools. The highlight of the day was a compelling motivational address by **Shri Narendra Nath Dhar Dubey, a Kirti Chakra awardee**. His inspiring words resonated with an audience of over 2,000 students and educators, as he shared his experiences and insights on bravery and dedication to the nation.

INITIATIVES

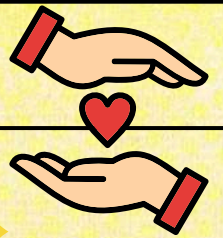

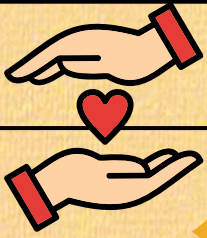

Mental Health Matters: Insights from Wellness Unplugged

The "Wellness Unplugged-Tune Into Yourself" event, dedicated to enhancing mental well-being took place in Mayoor campus. This inter-school initiative aimed to engage students creatively while raising awareness about mental health issues.

The event featured **Dr. Jitendra Nagpal**, a distinguished psychiatrist from *Moolchand Hospital*, as the Guest of Honour, alongside **Mr. Michael Pal**, Director, Cultural Forum , Austrian Embassy who underscored the significance of mental health in educational environments. Activities included **Echoes of Expression, Artsy Pot, Soul Speak: RJ Show, Emotiffiti Canvas Painting, Counsellors Conclave**, which provided valuable insights into available mental health resources. The event concluded with a valedictory ceremony celebrating participants' contributions and creativity, reinforcing the commitment to encouraging a supportive atmosphere for mental health discussions in schools.

INITIATIVES

Spreading Smiles: A Heartfelt Visit to One Hand for Happiness

Members of the **Interact Club** made a heartwarming visit to the **One Hand for Happiness** NGO in Sector-121, Noida. With the goal of spreading joy and spending meaningful time with those in need, the students carried stationery, books, and toys for the residents. They also engaged the children in various activities such as colouring, tattoo making, bracelet making, and singing. The Mayoor Interact Club members, along with the team **Aspecia** (led by Mayoor students), spent valuable time interacting with the children. This experience proved to be a significant learning opportunity for all involved, fostering humility and empathy.

INITIATIVES

Wiggle Waste Warrior: Composting today for a Greener Tomorrow

The Nature Nurturers Eco Club of Mayoor School has taken a significant step towards environmental conservation by launching a vermicomposting initiative, Wiggle Waste Warrior. This project aims to transform cafeteria waste into nutrient-rich organic manure, benefiting the school garden and promoting eco-friendly practices.

At the heart of this initiative, earthworms work diligently to break down dry leaves and vegetable waste, converting them into valuable compost.

The Wiggle Waste Warrior programme is an innovative example of how small efforts can contribute to a greener tomorrow, inspiring others to take action in preserving our planet.

 WASTE

INITIATIVES

E-Waste Awareness Drive: Sparking a Green Revolution

Mayoor School's Nature Nurturers Eco Club has kicked off an E-Waste Awareness Drive under the Eco-Revolution's **ECOLOGIC Campaign**. This initiative aims to educate students and staff on responsible disposal of electronic waste, reduce toxic pollution, and promote recycling. As part of the drive, students will collect old electronics, organize informative workshops, and create awareness posters. Together, we are taking steps to safeguard our environment and promote sustainable practices!

WORKSHOPS

Exploring Finland: A Glimpse into Finnish Education

Mayoor School, Noida organised a career counselling workshop to explore the educational landscape of Finland. Distinguished guests from **HAME University of Applied Sciences, Finland**, **Ms. Sarianne Vihakara**, International Coordinator, and **Ms. Jenni Tarkkala**, International Relations Officer, along with **Mr. Siddharth and Ms. Simran**, conducted the interactive and informative session.

The speakers delved into the Finnish education system, providing students with valuable insights, focusing on undergraduate programmes offered by HAME University, sparking keen interest among the attendees.

WORKSHOPS

Charting the Course: Exploring Career and Higher Education Options

We organised another career guidance session to help students explore various career paths and higher education options.

Representatives from **Canam Study Abroad**, **Graphic Era University**, and **Ashoka University** provided insightful presentations about their institutions and courses. Students actively engaged with the speakers during the Q&A session, gaining valuable information and guidance.

The event was a resounding success as resource persons answered all queries of students with clarity and understanding.

INTER-HOUSE COMPETITION

Amber House Triumphs in Inter-House Badminton Competition

The Inter-House Badminton Competition for boys concluded with thrilling matches, showcasing remarkable talent and teamwork among the participants.

Winners are as follows:

First Position: Amber House

Second Position: Krishanu House

Vasudha House Claims Victory in Girls' Inter-House Badminton Competition

The Inter-House Badminton Competition for girls concluded with exciting matches, highlighting the skills and teamwork of the participants.

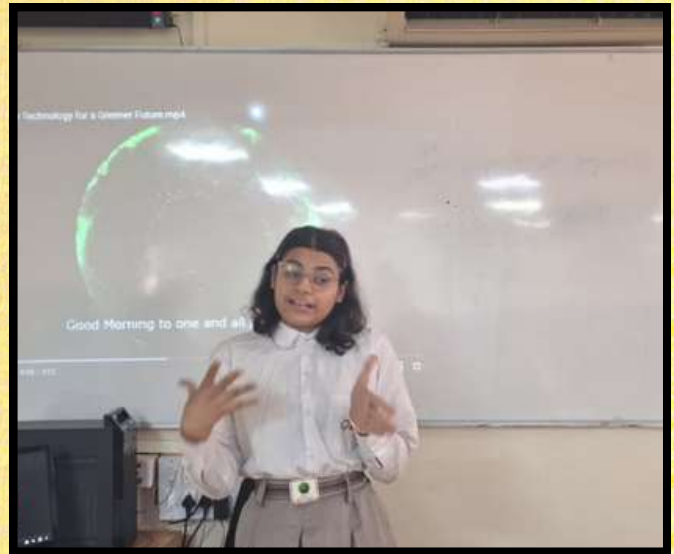

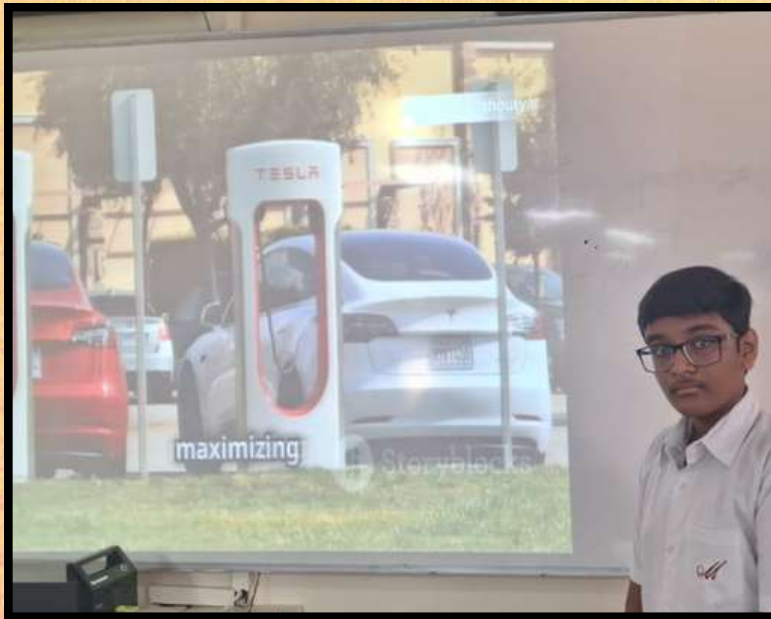

Winners are as follows:

First Position: Vasudha House

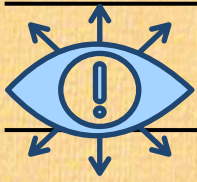

Second Position: Salil House

INTER-HOUSE ACTIVITY

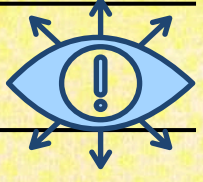

Sustainable Tech Takes Center Stage: A Celebration of Creativity and Environmental Awareness

The Inter-House Reel Making Competition, held under the theme **"Sustainable Tech: Innovation for a Greener Future,"** showcased remarkable creativity and enthusiasm from students, highlighting their dedication to sustainable development. Two participants from each house presented unique perspectives on eco-friendly technology through captivating reels. The event was marked by innovative storytelling, with students demonstrating a strong commitment to environmental awareness through visually engaging content. This competition fostered teamwork, creativity, and an inspiring enthusiasm for sustainable solutions, setting a promising precedent for future initiatives related to environmental consciousness.

INTER-SECTION ACTIVITY

Vigilance Awareness Week

Mayoor School observed **Vigilance Awareness Week** as part of the **Central Vigilance Commission's Initiatives** to combat corruption. This annual event coincides with the birthday week of **Bharat Ratna, Sardar Vallabhbhai Patel** and aims to promote ethics and transparency in governance. For 2024, the Vigilance Awareness Week, the theme was **"Culture of Integrity for Nation's Prosperity."** During the week, students from classes IX and XI participated in a poster-making activity, where they expressed their views on corruption and proposed innovative solutions for combating it.

INTER-SECTION ACTIVITY

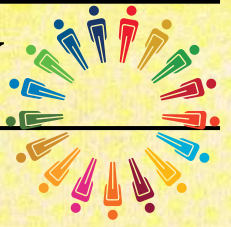

अंतर्वर्गीय पोस्टर निर्माण गतिविधि
हिंदी विभाग

कक्षा नवीं एवं दसवीं के लिए अंतर्वर्गीय पोस्टर निर्माण गतिविधि का आयोजन किया गया। गतिविधि का विषय 'स्त्री सशक्तिकरण' था। इसका उद्देश्य 'स्त्री सशक्तिकरण' के विषय पर जागरूकता लाना था। सभी विद्यार्थियों ने मिलकर पोस्टर निर्माण की गतिविधि में भाग लिया, जिसमें उन्होंने अपने विचारों और कलात्मक कौशल का उपयोग किया। पोस्टर एवं कोलाज के माध्यम से विद्यार्थियों ने अपनी विचाराभिव्यक्ति की।

INTER-SECTION ACTIVITY

Symposium on Sustainable Development Goals

“The thread of sustainability is woven into the future we build.”

Grade X students showcased inspiring presentations on sustainable development, highlighting practices like responsible land management and disaster risk reduction.

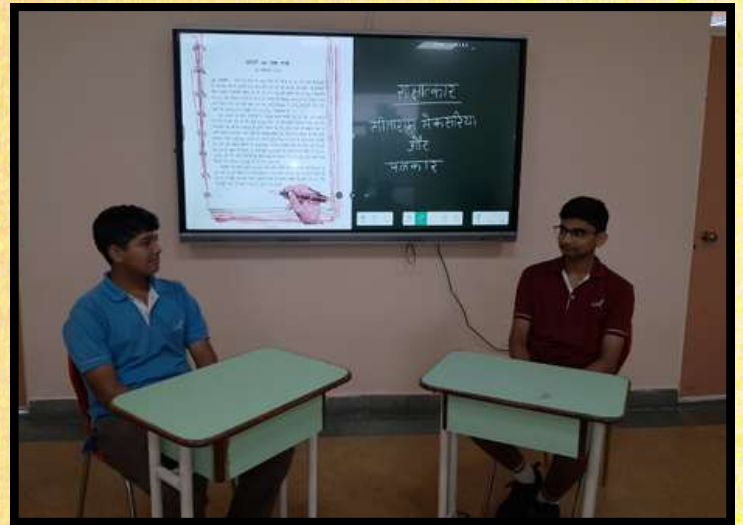

The event reminded us, “We do not inherit the Earth from our ancestors; we borrow it from our children.”

INNOVATIVE TEACHING PEDAGOGY

In today's rapidly evolving educational landscape, encouraging student engagement and critical thinking is paramount. We, at Mayoor, have embraced innovative teaching pedagogies that not only captivate young minds but also empower them to connect theoretical concepts with real-world applications.

The topic of minerals and their conservation was brought to life through hands-on activities and visual aids focused on the 5R conservation strategies: Refuse, Reduce, Reuse, Repurpose, and Recycle. Students engaged in practical exercises that deepened their understanding of resource management and its environmental implications.

कक्षा 10 के पाठ 'डायरी का एक पन्ना' को रोचक बनाने के लिए 'साक्षात्कार शिक्षण विधि' का प्रयोग किया गया। आजादी के संघर्ष और वर्तमान समय में इस पाठ की उपयोगिता को समझने एवं जीवन में अपनाने की प्रेरणा मिली। विद्यार्थियों ने प्रश्नोत्तरों द्वारा स्वतंत्रता सेनानियों के संघर्ष को जाना, वर्तमान समय में एकजुट होकर सामाजिक बुराइयों को दूर करने में योगदान देने की शिक्षा प्राप्त की।

Grade IX students participated in a mock election activity, simulating the democratic process in India. By forming political parties, campaigning for candidates, and engaging in debates, students developed political awareness and essential skills such as teamwork and leadership. The enthusiasm displayed during this activity made it a valuable learning experience that highlighted the importance of civic engagement.

INNOVATIVE TEACHING PEDAGOGY

Learners engaged in a hands-on lab session exploring the properties of acetic acid. They observed its distinctive vinegar-like odour and its reaction with litmus paper. The experiment demonstrated key concepts about acids through interactive learning, allowing students to connect theoretical knowledge with practical application.

An innovative approach was adopted in teaching *Julius Caesar* to Class X students through multimedia screenings. This dynamic pedagogy involved "Building, Creating, and Celebrating Content," enabling students to engage deeply with the historical context of the play and connecting themes of ambition and betrayal to contemporary issues, fostering critical thinking and a lasting appreciation for classical literature.
