## NOVEMBER NOTES : SPARKING BRIGHT MINDS...

### *Math in Motion*

Children combined physical activity with storytelling through a Hopscotch adaptation of Cambridge Early Years' "Scratch, Scratch, Scratch." Hopping from square to square, they practiced counting 1-10 while reenacting key events from the lesson, integrating numeracy and literacy skills.

### *Positional Playtime*

Exploring positional words, our tiny tots developed spatial awareness and vocabulary through interactive games, puzzles, and storytelling, fostering confidence and descriptive expression.

### *Learning Under the Sky*

Our Cambridge Early Years learners brought "Pishi and Me" to life on a Nature Walk, collecting leaves, pebbles, twigs, and grass. This hands-on adventure cultivated vocabulary, sequencing skills, and a love for nature, creating unforgettable memories.

“Education is the key that unlocks the golden door to freedom.”  
George Washington

## Nanak's Light: A Gurbpurab Celebration

On the auspicious occasion of Gurupurab, a special celebration was organized by the pre-primary wing to commemorate the birth anniversary of Guru Nanak Dev Ji. The event was aimed at instilling values of compassion, humility, and equality. A symbolic langar was organized to reflect the spirit of selfless service. The celebration was concluded with a prayer for peace and harmony. The event was not only made educational but was also spiritually uplifting.

### *A Day of Joy and Laughter*

Children's Day Celebration began with a delightful assembly, honouring Pandit Jawaharlal Nehru's legacy and his love for children. The event featured a captivating skit and dance, showcasing the joy and dreams of childhood. This heartfelt message reminded everyone to cherish childhood and create a nurturing environment for all children. Adding to the excitement, the pre-primary students enjoyed a mesmerizing magic show, filled with astonishing tricks and illusions that left them in awe. The celebration was a beautiful blend of joy, wonder, and lasting memories.

### **Fun with Rocks**

Our curious Mayoerians embarked on a fascinating adventure, delving into the wonderful world of rocks. They were thrilled to discover the diverse shapes, vibrant colours, and intriguing textures that make each rock unique.

### **Talent Hunt**

Class 2 showcased their diverse talents by telling jokes, singing, dancing, and building creative structures with LEGO. The event highlighted their confidence and creativity, making it a fun and engaging experience for everyone.

### **Shape Safari**

Students learned to identify, describe, and differentiate between 3D shapes like cubes, spheres, cylinders, and cones. They explored their properties through hands-on activities and visual aids.

### **Toasty Twist**

In the activity, students observed and compared a normal slice, a toasted slice, and an over-toasted slice. They discussed changes in texture, colour, and smell to understand the effects of heat.

### **Paryayvachi Ulatpalat Activity**

The children enthusiastically participated in the Paryayvachi Ulatpalat activity, enhancing their vocabulary and creativity.

### **Optical Illusion Activity**

The learners actively participated in the Optical Illusion activity, where they created a "bird and cage" toy. Through this engaging activity, they explored how optical illusions work, enhancing their curiosity and critical thinking skills.

### ***Pronoun Pizza Activity***

The learners enthusiastically participated in a fun and creative activity in their notebooks. They began by drawing a colourful pizza with multiple slices, each representing a different pronoun.

### ***Balloon Quest***

Students build a lung model with straws and balloons to show how lungs work. They observe air movement in the balloons, simulating breathing.

### ***Stretch and Measure***

The Class 2 students explored measuring height using a measuring tape. They took turns measuring their classmates and recording their heights in centimeters. This hands-on activity helped them understand the concept of height and how to use measurement tools effectively.

### ***Maths Trivia***

The activity for Class 2 focused on enhancing problem-solving abilities and aptitude by engaging students in fun, challenging questions. It successfully encouraged critical thinking and improved their ability to approach math problems with confidence.

### ***From Nature to Nurture***

Students learned to differentiate between man-made materials, like plastic and glass, and natural materials, like wood and stone. They explored their uses and properties through interactive activities.

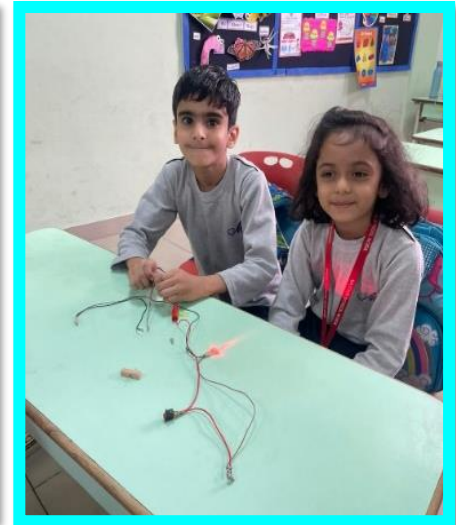

### ***Cosplay Competition***

The Cosplay competition in school allowed students to showcase their creativity by dressing up as their favourite characters, bringing them to life with enthusiasm. It was a vibrant and fun-filled event that encouraged imagination and self-expression among the participants.

### ***STEM Activity***

Students of Class I explored STEM concept by creating simple electric circuits using batteries and wires. They excitedly learned how electricity flows to light up their creations. The STEM activity on the food chain engaged students of class II in exploring the interdependence of plants and animals through interactive models and discussions. It helped deepen their understanding of ecosystems and the vital role each organism plays in maintaining balance.

### ***SETU***

In collaboration with "Save and Empower the Underprivileged SETU Charitable Trust", a painting competition was organized to showcase the creative talents of students while supporting a noble cause. This meaningful event highlighted the importance of using art as a tool for expression, empathy, and positive social impact.

### ***Table Manners and Dining Etiquette***

Table manners are essential for creating a positive impression and fostering respect in social and professional settings. They reflect courtesy, discipline, and cultural awareness.

# ACHIEVEMENTS

## **Karate Champion**

Swastik of UKG won Silver in Kumite, Bronze in Kata at the 3rd NCR Cup Open Karate Championship 2024 held on 10th November at BLS World School, Greater Noida.

## **Football Achievement**

Huge Congratulations to Reyhan Singh Budhreja and Meyhan Singh Budhreja of Class I at Mayoor School, Noida, for clinching the Runner-Up Trophy in the RSA Cup U7 age group!

## **Book Publishing**

Our young author, Saanvi Sharma of Class 2C, wrote her first publication, "The Beginning." This wonderful achievement, showcasing her creativity and talent, has been warmly appreciated.

## **Karate Championship**

Shiren Singh Mukar of Class 2-B won the Bronze Medal at the National Karate Championship! This outstanding achievement reflects his dedication, hard work, and perseverance.

## **Doodle Dreamers**

Kabir Bhardwaj of UKG C has secured the 1st prize in the Doodle Dreamers Competition at DWPS. His creativity and exceptional talent have truly shone bright.

## **Music Mania**

Congratulations, Revant Chauhan of Class 2E, on your outstanding performance at the ABESIT concert! Your skillful and heartfelt play of "Teri Hai Zameen" and "Yellow" on the keyboard captivated everyone.

## **Gymnastics**

Bhakti Namanvi from Grade 2-D won a Gold Medal at the Inter Gymnastics Academy Championship organized by Excellence Gymnastics Academy, Gurugram. She also secured a Bronze Medal on the Uneven Bars apparatus at the 3rd District Gymnastics Championship.

“An investment in knowledge pays the best interest.” – Benjamin Franklin
